

ANDREW J. STENGEL

February 23, 1992 – November 26, 2021

Andrew was a beloved Son, Grandson, Nephew and Cousin, and an extraordinary Friend. His passing has left us with broken hearts.

Andrew was a warm, generous and fun loving young man. He had many passions including a love of travel, spending time with friends and family, and Eagles Football. He was known among his friends and family as a generous caretaker for those in need, always offering a helping hand, a conversation, or a refuge for those who need it.

Andrew’s generous spirit extended to the many animals he adopted over the years. He was passionate about animal rescue.

For anyone who wishes to honor Andrew, a charitable foundation has been established in his name with Solutions for Animals. All contributions will extend the wonderful work that Solutions does to rescue animals.
